- Saravanna Bhavan payment for Kerala Piravi issue was discussed in detail – The agreement was to pay 80% of the total revenue to Saravanna Bhavan, provided that 400 plates would be served and the food vouchers be handed over to WMC Swiss by Saravanna Bhavan. In the event that 400 plates were not possible to sell, WMC Swiss will pay a maximum of 4'000 CHF to Saravanna Bhavan.
- However, Saravanna Bhavan failed to deliver 400 plates and failed to produce the food vouchers and claimed a receipt of over 9'000 CHF.
- A dispute was raised and was settled by WMC Swiss being generous and not taking the 20% for WMC Swiss expenses like advertisements, hall, etc. and paid Saravanna Bhavan the entire revenue generated by Saravanna Bhavan food sale, amounting to 4'200 CHF.
- Everybody expressed that the dosas were good but disappointed that not every one was able to get masala dosa because it ran out.
